Terms of Service

Effective Date: May 1, 2026
Last Updated: April 19, 2026

Please read these Terms of Service ("Terms") carefully before using the Actiio platform ("Service") operated by Actiio ("we", "us", or "our"). By accessing or using the Service, you agree to be bound by these Terms. If you do not agree, you must not use the Service.

1. Description of Service

Actiio is a multi-agent SaaS platform designed to assist sales, marketing, and business development professionals. The platform will host a growing suite of AI-powered agents to automate and enhance outreach, follow-up, and communication workflows.

Currently Launching: The Gmail Follow-up Agent — Actiio's first live agent. It monitors your connected Gmail inbox to identify sales-related email threads where conversations have gone silent, generates AI-powered follow-up draft emails, and allows you to review, approve, and send those drafts from your Gmail account.

Coming Soon: Additional agents for marketing automation, business development, and other sales workflows are planned for future releases.

Beta / Development Status: Actiio is an actively evolving platform. While core features are operational, certain functionality may be in "Beta" or early access. These features are provided "as-is" without a guaranteed Service Level Agreement (SLA).

The Service is accessible at actiio.co and is operated from India.

2. Eligibility

You must be at least 18 years old and capable of forming a legally binding contract to use the Service. By using the Service, you represent that you meet these requirements. Actiio is intended for business use and is not directed at consumers for personal, family, or household purposes.

3. Account Registration

To use the Service you must create an account using a valid email address and password. You are responsible for:

- Maintaining the confidentiality of your account credentials.
- All activity that occurs under your account.
- Notifying us immediately at business@actiio.co if you suspect unauthorized access.

We reserve the right to suspend or terminate accounts that we reasonably believe have been compromised or used in violation of these Terms.

4. Google OAuth and Gmail Access

Actiio integrates with your Gmail account via Google OAuth. By connecting your Gmail account, you explicitly authorize Actiio to:

- Read email threads to identify sales-related conversations (Gmail.readonly scope).
- Send emails from your account only after you have reviewed and approved a draft (Gmail.send scope).
- Access your Google profile information (name and email address) to personalize the Service (openid, userinfo.email, userinfo.profile scopes).

You may revoke Gmail access at any time through your Google Account security settings at myaccount.google.com. Revoking access will disable Gmail-dependent features of the Service but will not automatically delete your Actiio account or data.

Actiio's use of Google user data complies with the Google API Services User Data Policy, including the Limited Use requirements. We do not use Gmail data to serve advertisements or for any purpose not disclosed in these Terms or our Privacy Policy.

5. Acceptable Use

You agree not to use the Service to:

- Send spam, unsolicited bulk email, or any communication that violates applicable anti-spam laws.
- Harass, threaten, or harm any individual or organization.
- Circumvent any rate limits, security measures, or access controls implemented by Actiio or Google.
- Reverse engineer, decompile, or attempt to extract the source code of the Service.
- Use the Service in any manner that violates applicable Indian or international law.
- Impersonate any person or entity or misrepresent your affiliation with any person or entity.
- Upload malicious files, viruses, or any content that may damage the Service or third parties.

Fair Usage & Limits: To prevent abuse, manage costs, and protect technical stability, Actiio enforces the following baseline limitations: 30 emails sent per hour, 200 emails sent per day, and a maximum of 50 AI-generated drafts per day. We reserve the right to modify these limits or apply additional restrictions. Violation of these rules may result in immediate suspension or termination of your account without refund.

6. Human Approval Requirement

Actiio is designed as a human-in-the-loop system. No email will be sent from your Gmail account without your explicit review and approval. Actiio provides AI-generated draft suggestions only — it does not send emails autonomously.

By approving and sending a draft, you confirm that you have reviewed its content and take full responsibility for the communication, including its legality under applicable anti-spam laws and its accuracy. Actiio acts merely as a draft generator and conduit — it is not responsible for the content of emails you choose to send.

7. Subscription and Payment

7.1 Plans and Pricing

Actiio offers paid subscription plans as described on actiio.co/pricing. Pricing is displayed in Indian Rupees (INR) and is subject to change with prior notice.

7.2 Payment Processing

All payments are processed by Cashfree Payments India Pvt. Ltd. By subscribing, you agree to Cashfree's terms and conditions. Actiio does not store your full payment card or bank account details.

7.3 Billing

Subscriptions are billed on a monthly basis. Renewal requires a new manual payment. It is your responsibility to renew before your current period expires to avoid service interruption.

7.4 Cancellation

You may cancel your subscription at any time through your account settings or by contacting business@actiio.co. Cancellation takes effect at the end of the current billing period. We do not provide prorated refunds for unused periods unless required by applicable law.

7.5 Refunds

Refunds are only provided for verified technical failures lasting 48+ hours or in cases of double charging. To request a refund under these conditions, contact business@actiio.co within 7 days of the charge. We do not provide refunds for a change of mind, low usage, or similar reasons. Please note that if you choose to cancel your subscription before the end of your billing cycle, your access will continue until the end of the month, but we do not provide prorated refunds for any remaining unused days in that month.

8. Intellectual Property

All rights, title, and interest in and to the Service, including its software, design, trademarks, and content, are owned by Actiio or its licensors. Nothing in these Terms grants you any ownership interest in the Service.

You retain full ownership of all content you create, upload, or process through the Service, including your business profile data, sales assets, and email communications. By using the Service, you grant Actiio a limited, non-exclusive licence to process your content solely to provide the Service to you.

Feedback and Suggested Features: Any feature suggestions, ideas, or feedback you provide (including suggestions submitted via the Suggested Skills feature or any other feedback mechanism) become the property of Actiio, or you grant us a perpetual, irrevocable, worldwide, royalty-free licence to use, develop, and commercialize them. This allows Actiio to build and improve features without intellectual property disputes.

9. Data and Privacy

Our collection and use of your personal data is governed by our Privacy Policy, available at actiio.co/privacy. By using the Service, you agree to our Privacy Policy. Key points relevant to these Terms:

- Email bodies are not stored in our database; they are fetched live from Gmail only when needed for AI processing.
- In compliance with the DPDP Act 2023 and other applicable regulations, AI processing is performed by third-party AI inference providers whose servers may be located outside India. By using the Service, you expressly consent to your data being subject to cross-border transfer and processed by these providers under applicable rules solely for generating email drafts.
- You may request deletion of your account and all associated data at any time by contacting business@actiio.co. Upon receiving a valid deletion request, your data will be permanently deleted from our primary servers and backups within 30 days.

Attachments: File attachments processed or sent via the Service are subject to a maximum combined size of 15MB. Only the following file types are permitted: PDF, DOC/DOCX, PPT/PPTX, XLS/XLSX, CSV, TXT, and common image formats. These limits exist to ensure security and email deliverability. Actiio is not liable for delivery failures resulting from attachment size or type restrictions.

10. Third-Party Services

The Service integrates with third-party platforms including Google (Gmail, OAuth, Google Analytics), third-party AI inference providers, Supabase, Cashfree, Resend, Vercel (including Vercel Analytics), and Railway. Your use of these integrations is also subject to the terms and privacy policies of those respective providers. Actiio is not responsible for the practices of third-party services.

11. Disclaimers

THE SERVICE IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Actiio does not warrant that:

- The Service will be uninterrupted, error-free, or secure.
- AI-generated drafts will be accurate, appropriate, or effective for your business purposes.
- The Service will meet your specific requirements.
- Features currently in Beta will reach general availability or maintain their current functionality.

You use the Service and rely on AI-generated content at your own risk. You are solely responsible for reviewing all drafts before sending, and you bear full and sole legal responsibility for any violations of anti-spam laws (including but not limited to CAN-SPAM, CASL, or India's TRAI regulations) that arise from your use or transmission of AI-suggested content.

12. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ACTIIO SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING LOSS OF PROFITS, REVENUE, DATA, OR BUSINESS OPPORTUNITIES, ARISING OUT OF OR IN CONNECTION WITH THE SERVICE OR THESE TERMS.

IN NO EVENT SHALL ACTIIO'S TOTAL LIABILITY TO YOU EXCEED THE AMOUNT YOU PAID TO ACTIIO IN THE THREE (3) MONTHS IMMEDIATELY PRECEDING THE CLAIM.

13. Indemnification

You agree to indemnify, defend, and hold harmless Actiio and its officers, directors, employees, and agents from any claims, damages, losses, liabilities, and expenses (including reasonable legal fees) arising out of or related to:

- Your use of the Service or violation of these Terms.
- Any email you send through the Service.
- Your infringement of any third-party rights.
- Your violation of any applicable law or regulation.

14. Termination

Either party may terminate the agreement formed by these Terms at any time. You may terminate by deleting your account and discontinuing use of the Service. We may terminate or suspend your access immediately, without prior notice or liability, if you breach these Terms.

Upon termination, your right to use the Service ceases immediately. Sections 8, 9, 11, 12, 13, 15, and 16 survive termination.

15. Governing Law and Dispute Resolution

These Terms are governed by the laws of India, without regard to its conflict of law provisions. Any dispute arising out of or in connection with these Terms shall be subject to the exclusive jurisdiction of the competent courts in Bangalore, India.

Before initiating legal proceedings, you agree to attempt to resolve any dispute informally by contacting us at business@actiio.co. We will make reasonable efforts to resolve disputes within 30 days of receiving written notice.

16. Changes to Terms

We reserve the right to modify or replace these Terms at any time at our sole discretion. We will provide updates by posting the revised Terms on the Service and updating the "Last Updated" date at the top of this document. It is your responsibility to review these Terms periodically. Your continued use of the Service following the posting of any changes constitutes your binding acceptance of those changes.

17. Miscellaneous

- Severability: If any provision of these Terms is found to be unenforceable, the remaining provisions will remain in full force and effect.
- Waiver: Our failure to enforce any right or provision of these Terms will not be considered a waiver of those rights.
